Fsll 2022 • Volume 23 • Issue 1

WELCOME

This newsletter is intended to provide timely updates on local transportation projects, area (re)development initiatives, as well as transit and paratransit-related news, highway safety, and other activities undertaken by the Planning Commission and our partners. The newsletter is supported in part by funds from the Federal Highway Administration (FHWA), the Ohio Department of Transportation (ODOT), and the Planning Commission member political subdivisions.

Winter Crisis Program
starting
November 1st

The Home Energy Assistance Winter Crisis Program Provides eligible Ohioans assistance paying an electric bill, a utility or bulk fuel bill, or assistance paying for heating system repairs. The program will run from November 1, 2022 through March 31, 2023.

To apply for the program, clients are required to schedule an appointment with West Ohio Community Action Partnership by calling 419-516-0063. Clients must also bring the following documents to their appointment:

- Copies of their most recent energy bills
- a list of all household members and proof of income for the last 30 days or 12 months for each member
- proof of U.S. citizenship or legal residency for all household members
- proof of disability (if applicable)

Eligible households can receive up to \$175 if they are a client of a regulated utility, or \$750 if they are a client of unregulated utilities such as electric cooperatives and municipal utilities. The assistance is applied to their utility bill or applied to heating system repair costs. Ohioans must have a gross income at or below 175 percent of the federal poverty guidelines to qualify for assistance.

Last year, more than 594 families were assisted in Allen, Auglaize, and Mercer counties.

For more information about the features of the Winter Crisis Program and what is needed to apply, contact WOCAP at 419-227-2586

The Arrive Alive Tour at the Allen County Fair!

Members of the Safe Community teamed up to work the 2022 Allen County Fair on August 20th. Fair attendees had the opportunity to take part in the impaired and distracted driving simulator provided by the Arrive Alive Tour. Ohio Traffic Safety materials were distributed freely to the public during this event. While the event was cut short abruptly by strong winds and a storm, this event can be marked as a success in the Coalition's goal to increase public awareness of the dangers of impaired and distracted driving.

CONGRATULATIONS TO OUR HONOREES!

2022 TOP COP

Since the founding of *Mothers Against Drunk Driving*, drunk driving-related fatalities have been reduced by half. To this day some 41 years later, MADD's mission remains to end this 100% preventable crime.

Strong allies in this cause are the many law enforcement officers who do the challenging and worthy work of stopping drunk drivers before disaster strikes. On September 6th, Safe Community Coalition teamed up with Crime Victim Services and the local MADD Chapter to host the Top Cop Awards and recognize the men and women of Allen, Hardin, and Putnam counties who had the highest OVI arrests for the year 2021. To be eligible for this award the officer must have a minimum of three arrests.

2022 SAFE COMMUNITY AWARDS

For the 24th year, Lima-Allen County Safe Community Coalition held its Safe Community Awards on September 28, 2022. While usually there is one award recipient per category, with such a large return on nominations this year, Safe Community Coalition decided to increase our number of honorees. This was done to increase the visibility of all these wonderful people and the work they are doing in our community. The hope is that all walked away from this afternoon with more knowledge and connections to help further their missions.

Fire Safety

Fire Chief Justin Roberts, Perry Township

Traffic Safety

Tpr. Kenton J. Gibson, OSHP Lima Post

Safe Community Coalition would like to Thank the FOP/FOPA Lodge #21 for their incredible support of both the 2022 Top Cop and Safe Community Awards.

Thank you for opening your doors to us and for the delicious meals.

UPDATE FROM THE RTA!

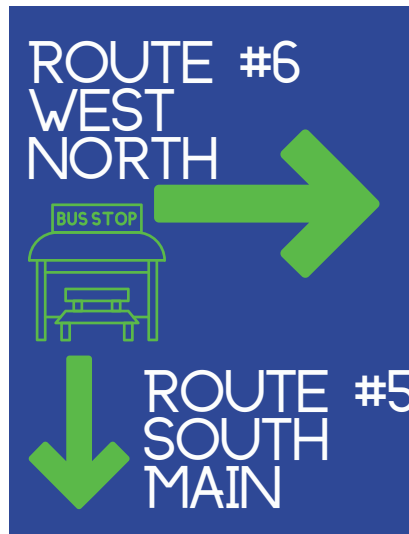

RTA will be changing from a flagging system to a bus stop-only system starting October 3, 2022 with Routes 5 & 6.

Also beginning October 3, 2022, Allen County RTA will be offering Micro Transit Services. This Service is a door-to-door service similar to Paratransit service and cost is based on Zones in the county. Tickets will be available for purchase at the terminal to eliminate the need for riders and drivers to handle cash on a regular basis.

The service will run Monday through Friday from 7:20 pm-11:00 pm, this service will replace the night service that was cut a year ago.

To schedule a ride, individuals will need to call the RTA office at 419-222-2782 or 567-940-9445. an answering machine is also available 24/7 to accept trip reservations and cancellations.

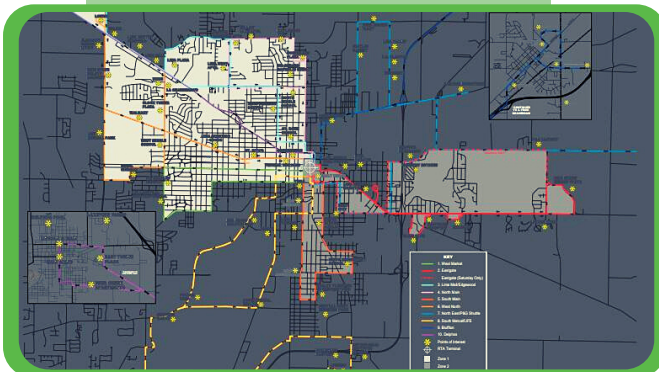

For more information contact Brian Wildermuth at 419-222-2782 ext. 5755

NEWS

FROM THE

OFFICE

Lima-Allen County Regional Planning Commission bade farewell to Executive Director Shane Coleman at the end of September as he transitioned to the City of Lima as the new Chief of Staff in Mayor Sharetta Smith's administration. Shane Coleman took up the post of Executive Director in the spring of 2020 after previously serving as the Safety Service Director for the City of Delphos. Since joining the LACRPC, Coleman has shone exemplary leadership and diligence in his role. While we are sad to see him leave, we wish him well in his work with the City and know that he will be a wonderful addition to their team and we look forward to working with him in his new role.

The search of a new Executive Director is underway and being conducted by the LACRPC Board.
