Lima, Ohio – (September 24, 2019): Homecoming should be a time to cheer on the team, to dance with friends, and to enjoy high school. However, at this time of year, teens are killed or seriously injured in traffic crashes after drinking or choosing to ride with someone who has been drinking . . . or driving recklessly, especially texting - or speeding. And, teens often don't buckle up.

The Lima-Allen County Safe Community Coalition wants local students to have a good time and celebrate safe. Remember:

- **Don't text! #Arrive Alive**
- **Slow down! #ArriveAlive**
- **Always buckle-up! #ArriveAlive**
- **Don't drink or ride with someone who has been drinking! #ArriveAlive** Remember, it is illegal for anyone under 21 to consume alcoholic beverages. Not only is it against the law, but crashes are often the tragic outcome.

Following is a list of Allen County schools homecoming dates; overtime enforcement will be scheduled around these dates.
